

Statement of Accreditations & Memberships

As a business providing essential transport services, ATG believes we have a responsibility to be accountable for our actions and to conduct our operations in a professional and transparent manner.

ATG demonstrates its commitment and responsibility to our clients, suppliers, creditors, to the transport industry and our communities by obtaining and maintaining external accreditations.

ATG operates and maintains several accreditations and licenses including an

- Quality Assurance (QA) Accreditation under the A/NZ standard ISO 9001:2008
- Motor Vehicle Repair Business License with the Department of Planning and Infrastructure (WA) and a Vehicle Inspection Licensing Centre.
- Australian Tourism Accreditation
- ATG is regularly audited by external agencies including
- Vehicle Maintenance Audited by the Department of Infrastructure and Transport (WA)
- OH&S Audits performed by Public Transport Authority and Worksafe (WA)
- Contract and OH&S Compliance Audited performed by clients such as Rio Tinto, Woodside Energy Ltd
- Tourism Council (WA and NT)

Memberships and accreditations also ensure that ATG is engaged with other professionals within the industry and informed of new and emerging standards, research and developments in our industry. ATG Industry Memberships Include:

- Motor Trade Association
- Bus Industry Confederation
- WA Road Transport Authority
- Australian Public Transport Industrial Association
- Individual Regional Chambers of Commerce
- Tourism Council (WA & NT)

Additionally, ATG uses independent and specialised auditors to assist in the continuous improvement of business operations and legitimises the effectiveness of our business processes with the objective of guaranteeing compliance, exceeding industry standards and keeping abreast of the latest industry advances and innovations.
